## THE CREATORS

# DEPARTMENT OF CIVIL ENGINEERING

### VISION

To develop technically competent and ethically responsible Civil Engineering professionals having innovative and leadership quality to meet the challenges in the society.

### MISSION

- 1.To impart quality engineering education with an emphasis on technical knowledge and practical skills.
- 2.To enhance career opportunities for students through industry-institute interactions and value-added courses.
- 3.To inculcate professional ethics and make socially responsible engineers.
- 4.To encourage sustained lifelong learning by becoming innovators to satisfy the ever-changing needs of the society.

### HOD'S Message

I am glad that the Civil Engineering department, IES College of Engineering has Brought out a half yearly technical News letter. This Newsletter covering the major activities, co-curricular and extracurricular domains held at our campus. This news letter, I believe will make students, academicians and others to know more about the activities of our College which is marching towards establishing as a centre of excellence in the field of Engineering education.
