

Annual Gender Sensitizations Action Plan

The management and the Principal of IESCE have setup a platform to discuss/raise their voice about the issues, especially girls and women employees at Department level and Institute level.

The Institute has Women Empowerment Committee to monitor gender equity as per the guidelines by Government, AICTE and KTU by conducting seminars and workshops. Institute also has a Student Grievance Committee, Student Welfare Committees and Anti Ragging Committees to monitor any complaints or grievance from girl students. Within the campus, antiragging squad will be monitoring and same will be reported to higher authority.

IESCE is ensuring equal concern for girls and boys in Institution in all curricular, co-curricular and extracurricular activities.

IES COLLEGE OF ENGINEERING CHITILAPILLY

SUBMISSION TO PRINCIPAL

February 27, 2021

The Women Empowerment Cell plan to conduct an online quiz competition on March 8th, 2021 at 10.00 am. Students from other institute can also participate. The registration can be done from 01-03-2021 to 07-03-2021. Certificates will be awarded to winners. Further details are attached herewith. I kindly request your permission and cooperation for the same.

Thanking You,
WEC coordinator
