Department of Computer Science and Engineering

Volume 6, Issue 2 (Jan-June 2020)

Vision

To provide quality technical education in the field of computer science and engineering and develop professionals imparting human values, entrepreneurship capabilities with social responsibility, to meet the challenges in the technological society.

Mission

M1: To educate the students with fundamental concepts of core Computer Science and Engineering.

M2: To provide practical skills in the advancements of the Computer Science and Engineering field required for the growing dynamic IT industries.

M3: To sculpt strong personal, technical, entrepreneurial, and leadership skills.

M4: To inculcate knowledge in lifelong learning, professional ethics and contribution to the society.

Dr. G.Kiruthiga, Head of Computer Science & Engineering is the backbone of the department with 6 years of Teaching & Engineering experience and having Ph.D in Wireless Sensor Networks.

HOD's Message

The department of CSE is highly privileged to release our January – June 2020 Technical Newsletter, looking forward to groom our budding technocrats. This newsletter is meant to cover up the arenas of skills by our students, academicians and others showcase their talents and enthusiasm in field of Computer Science and Engineering. I wish this newsletter might come up with all the creative and technical traits and activities of our department, which in turn leads to the establishment of engineering education in our campus.

AWARDS / ACHIEVEMENTS

By Staff

- Dr.KiruthigaG(HOD/CSE) was promoted as the editorial member of the blue eyes intelligence engineering & sciences publication journal.
- Dr. Kiruthiga G(HOD/CSE) has published a book on "C programs, Easy to Learn" VSRD Academic Publishing on 24.01.2020
- Mr.Ebin P.M(AP/CSE) has published a book in "Programming in C", CHESS EDUCATIONAL PUBLISHERS.

By Students

- Students from S2 and S4 completed various coursera MOOC courses.

AWARDS / ACHIEVEMENTS

By Staff

- MrEbin P.M (AP/CSE)had attended 3 day FDP on Tools for Machine Learning Application Development organized by Dept of Electronics and Communication Engineering at AmalJyothi College Of Engineering ,Kanjirappally from 08.01.2020 to 10.01.2020
- Ms Shemitha P.A(AP/CSE) had participated in the AICTE Sponsored Two-week Faculty Development Programme on Computer Algebra Systems in Applied Mathematics held in Vidya Academy of Science and Technology,Thalakottukara,Tcr
- MsAmeefaP.K(AP/CSE) had attended in the 3 day FDP on Advanced methodologies for Effective Teaching held in Malabar Institute of Technology ,Kannur.
- MsAmeefa P.K(AP/CSE) had completed the online, non-credit Specialization, Google Cloud Training (Five-course accelerated Specialization) on 01.01.2020
- MsAmeefa P.K(AP/CSE) has participated in the Google Training Program held in Adisankara Institute of Technology,Kaladi on 16.01.2020
