## ABOUT THE COLLEGE

IES College of Engineering (IESCE) the flagship institution of IES Education City, is a high-tech technical training institution, with facilities conforming to AICTE, New Delhi, and APJ Abdul Kalam Technological University specifications. The college is governed by a Board of Directors with almost 5 decades of experience in international education. It has a quality management system in line with ISO 9001-2000 and is recognized under 2(f) of the UGC act 1956. The college's strong infrastructure is established by the fact that every department has state-of-the-art, fully furnished laboratories, as these are also utilised for funded research projects and partnerships with professional organizations and startups. The college's placement and training department offers up-to-date training for students and a platform for companies to hire graduates. Accreditations by NAAC and NBA demonstrate its pursuit of quality higher education. IESCE aims to create competent engineering professionals infused with human values, innovation skills, and entrepreneurial attitudes for nation-building.

**PRINCIPAL, IESCE**  
**Dr S BRILLY SANGEETHA**

**HOD, DEPT S&H**  
**Ms. PADMAPRIYA V.K**

## ABOUT THE FDP

Under the aegis of AICTE, a Faculty Development Programme on Introductory Universal Human Values, is being conducted at IES College of Engineering, Chittilappilly, Thrissur. The FDP participants would attain better understanding of themselves and the fundamental harmony of nature. The participants can comprehend the interconnection of humans with the natural world, their purpose in life, and how to live a fulfilled life. The FDP on Universal Human Values will take us on a journey of self exploration, providing an insight into the importance of nature and human values, leading to social harmony.

## OBJECTIVES

- Orientation of faculty and mentors to incorporate UHV in education.
- Build sensitivity through reflection on self and one's relationships
- Understand the innate values of human beings.
- Encourage holistic development of self and students.
