

**COLLEGE OF ENGINEERING**

(An Engineering College Promoted by the Ideal Educational Society)  
Approved by AICTE, New Delhi & Affiliated to A.P.J. Abdul Kalam Technological University)

TO WHOMSOEVER IT MAY CONCERN

This is to certify that the details of the activities conducted by the institution to offer guidance/coaching for competitive examinations (5.1.4) during the year :

1. Competitive exam training
2. Career guidance

Organized to offer guidance /coaching (5.1.4) during the year (2021-22) is as attached herewith.

  
PRINCIPAL  
PRINCIPAL  
IES COLLEGE OF ENGINEERING  
CHITTIL APPILLY - 680 551  
THRISSUR - KERALA

## VISION

To provide quality technical education in the field of computer science and engineering and develop professionals by imparting human values, instilling entrepreneurship capabilities with social responsibility, to meet the challenges in the technological society.

## MISSION

M1. To educate the students with fundamental concepts of core Computer Science and Engineering.

M2. To provide practical skills in the advancements of the Computer Science and Engineering field required for the growing dynamic IT industries.

M3. To sculpt strong personal, technical, entrepreneurial, and leadership skills.

M4. To inculcate students with knowledge and lifelong learning, professional ethics and infuse in them a sense of contribution to the society.

## PROGRAMME

### EDUCATIONAL OBJECTIVES (PEO's)

PEO1: Enable graduates to be successful in their chosen careers, by applying their continual learning of Computer Science and Engineering in their work and life situations.

PEO2: Comprehend, analyze, design, and create novel products and solutions for the real-life problems.

PEO3: Possess professional and ethical attitude, effective communication skills, team working skills, multi-disciplinary approach, and an ability to relate engineering issues to broader social contexts.

PEO4: Exhibit leadership qualities and progress through life-long learning.

### Data Annotation

#### Resource Person

Jeril Kala & Prakash

#### Data Labeler

On 16/12/2021

Organised by CESA

IES COLLEGE OF ENGINEERING

DEPARTMENT OF CSE

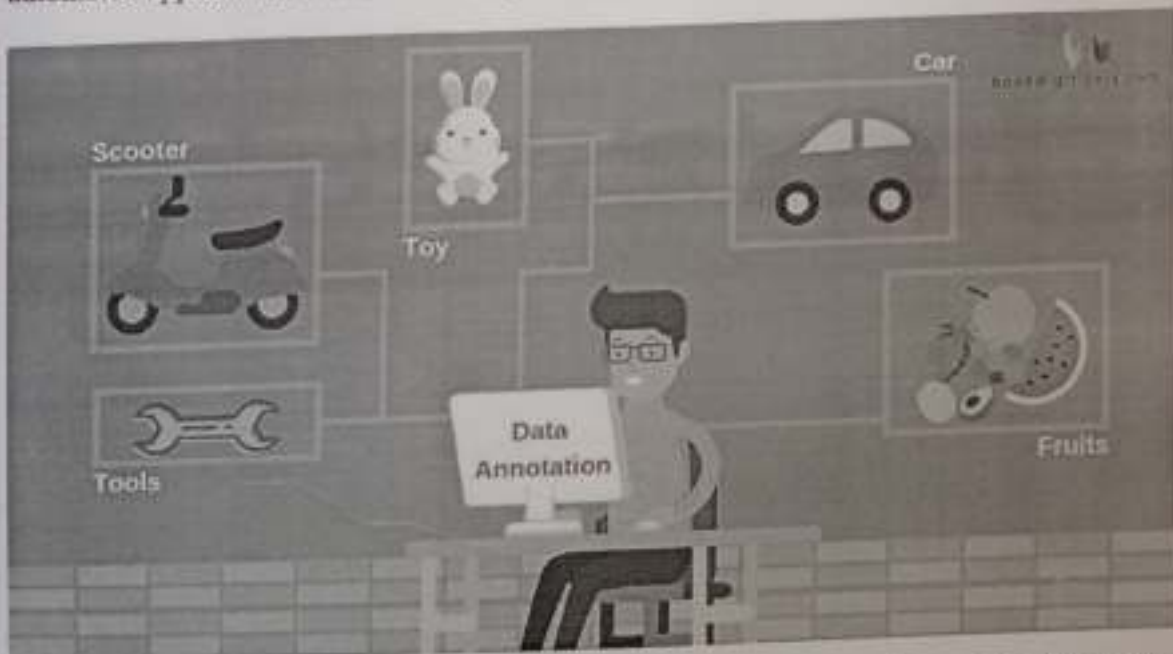

SUBMITTED TO THE PRINCIPAL

Respected madam,

We have already signed an MOU with Star Innovations (Mr. Prakash) during February 2021 mainly to get Live projects especially Govt projects, followed by that he has given us the Waste Management Vehicle tracking project from Thrissur Municipal corporation, which our S5, S7 students are doing, probably by January they will complete the project.

Recently when we contacted Mr.Prakash for another project he has offered us a US based project which mainly deals with computer vision work / data annotation work, which is detailed below.

AI and machine learning is one the fastest growing technology brining unbelievable innovations providing the advantages to different fields globally. And to create such automated applications or machines, huge amount of training data sets is required.

And to create such data sets, image annotation technique is used to make the objects recognizable to computer vision for machine learning. And this annotation process is benefiting not only the AI field but also providing advantages to other stakeholders. Here we will discuss about the advantages of data annotation in various fields.

### What is Data Annotation?

Data annotation is the process of labeling the data available in various formats like text, video or images. For supervised machine learning labeled data sets are required, so that machine can easily and clearly understand the input patterns.

And to train the computer vision-based machine learning model, data need to be precisely annotated using the right tools and techniques. And there are multiple types of data annotation methods used to create such data sets for such needs.

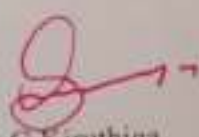

### Computer Vision:

Computer vision is a field of artificial intelligence (AI) that enables computers and systems to derive meaningful information from digital images, videos and other visual inputs — and take actions or make recommendations based on that information. If AI enables computers to think, computer vision enables them to see, observe and understand.

He is in need of huge number of students for the same, so it will benefit all the students in the IESCE campus to "Earn and Learn". In this regard Mr.Prakash has requested us for a in person visit to our campus on 08.12.2021 ( Wednesday), He will come along with his client Mr. Jerril Kala representing [www.datalabeler.com](http://www.datalabeler.com) on the above said date.

The payment for the projects given by Mr.Praksh will come to our college account and as per Principal and Management member's decision it can be given to the students as stipend.

I humbly request you to grant us the permission to present this idea to the Principal, Management members and all HODs, on 08.12.2021. Thank you.

  
Dr.G.Kiruthiga

HOD/CSE

**IES COLLEGE OF ENGINEERING**  
**SUBMITTED TO THE PRINCIPAL**  
**POST REPORT**

To,  
The Principal,  
IESCE.

Respected Ma'am,

IESCE has proposed a request to the principal regarding the conduction of one day orientation program on "Data Science and AI" which was scheduled on 01.12.2021.

As principal accepted our proposal, we have conducted the program and the details are as follows

**01.12.2021**

**INAUGURAL CEREMONY: 9.30 TO 10AM**

**NO OF PARTICIPANTS: 109**

**TITLE: Data Science and AI**

**HANDLED BY: Gireesh Babu**

**TIME: 10AM to 4PM**

The Speaker was well experienced so the lecture was well handled. The participant's feedback was very good. Soon after the lecture the participant's certificates was distributed.

I express my deepest thanks to all our beloved management members and the principal who supported us and made this programme a grand success. Thank you.

*for Shrinath*  
Yours truly

Date:15/01/2022,05/02/2022,26/02/2022 and 12/04/2022

Conducted by :Department of Computer Science and  
Engineering of IESCE,Chittilappilly and VJCET,Vazhakulam in  
association with CSI Students Chapter

Coordinator:Ms.Hrudya K P( Staff coordinator)

## **PROGRAM BRIEF**

The seed for the Computer Society of India (CSI) was first shown in the year 1965 with a handful of IT enthusiasts who were a computer user group and felt the need to organize their activities. They also wanted to share their knowledge and exchange ideas on what they felt was a fast emerging sector. Today the CSI takes pride in being the largest and most professionally managed association of and for IT professionals in India. The purposes of the Society are scientific and educational directed towards the advancement of the theory and practice of computer science and IT..

The official inauguration of Intercollegiate Lecture Series followed by the first session was conducted on 15/01/2022 in online mode at 9.30 am by the Department of Computer Science and Engineering of IESCE and VJCET in association with the CSI Students chapter.

The program began at 9.30 am with a silent prayer. Then Dr.G.Kiruthiga, HOD/CSE, IESCE delivered the welcome speech. Then Mr Amel Austine ,HOD/CSE VJCET felicitated the program. After that the first session on Machine Learning Concepts and Practices were handled by Dr.Bindu Krishnan ,Professor and Head, Department of CS/IT/Data Science, JAIN University, Kochi .Session wined up at 12.30 pm. The session was very informative and interactive. Students gave very good feedback on the session.

# DEEP LEARNING (DL)

**Deep Learning** is a subfield of machine learning in artificial intelligence that deals with algorithms inspired from the biological structure and functioning of a brain to aid machines with intelligence.

**Deep Learning** is a specific subfield of machine learning, a new take on learning representations from data that puts an emphasis on learning successive layers of increasingly meaningful representations.

"Deep" stands for the idea of successive layers of representations.

How many layers contribute to a model of the data is called the depth of the model.

In DL, these layered representations are learned through models called *neural networks*.

The fourth session on Recurrent Neural Networks was conducted on 12/04/2022 from 6.30 pm to 8.30 pm in online mode. In that Bindu mam shared different approaches and applications of RNN. She specified RNN models are mostly used for NLP related problems. Students got a very clear understanding of RNN and its use. They gave a very good feedback on the session.

At the end of the session Ms. Neha Jaison, Student Representative gave a vote of thanks. With that four sessions of Lecture series was completed.

Zoom Meeting

# RNN

Recurrent Neural Network(RNN) are a type of neural network where the output from previous step are fed as input to the current step.

In traditional neural networks, all the inputs and outputs are independent of each other, but in cases like when it is required to predict the next word of a sentence, the previous words are required and hence there is a need to remember the previous words. Thus RNN came into existence, which solved this issue with the help of a Hidden Layer.

The main and most important feature of RNN is hidden state, which remembers some information about a sequence.

Zoom Meeting

# LSTM

An LSTM recurrent unit tries to "remember" all the past knowledge that the network is seen to be and to "forget" irrelevant data.

This is done by introducing different activation functions (also called "for different purposes, gates")

Each LSTM recurrent unit also maintains a vector called the internal Cell State which conceptually describes the information that was chosen to be retained by the previous LSTM recurrent unit.

LSTM has a clear structure that combines four neural networks and different memory blocks called cells.

**Sub: Request to conduct a Career Development Programme for the skill improvement of students.**

Respected Sir,

Department of Electronics and Communication Engineering in association with IETE plans to conduct a "Career Development Programme 2021" for the students (3<sup>rd</sup> & 4<sup>th</sup> years) in our department on 14/12/2021 and 15/12/2021. The programme will help the students to have an in-depth knowledge of the career opportunities in the electronics and communication fields and the ways to improve their communication skills. The details of the event and expenditure of the programme are attached.

S/N	Event	Objective of the programme	Participants	Speakers/ Resource Persons/ Chief Guest	Budget	Outcome/ Benefit of the Programme
1	"Career Development Programme 2021"	To have an in-depth knowledge of career opportunities in ECE field. To improve the communication skills of students.	Students of Department of ECE in IES College of Engineering.	<u>Resource Person:</u> Mr. ALEX MATHEW Regional Manager and Chief Trainer T-Horizon Kochi.	6500 per day	<ul style="list-style-type: none"><li>• Students will be more aware of the different career opportunities in Electronics and Communication field.</li><li>• Students will acquire necessary confidence to present their knowledge in a better way.</li></ul>

## EXPENDITURE:

Sl. No.	Item	Amount
1	Remuneration (for 2 days)	13000
2	Refreshment	5500
3	Certificates	500
<b>Total</b>		<b>19000</b>

**Note:** Rs. 250/- will be collected from the students and Rs. 4250/- will be funded by the IETE Students Forum for conducting the programme. The detailed report of the same will be submitted to management after the programme.

Thanking you,

Programme Co-ordinator

### REPORT ON TWO DAY CAREER DEVELOPMENT PROGRAMME FOR THE SKILL IMPROVEMENT OF STUDENTS

#### Event Details:

S/N	Event	Venue	Participants	Speakers/ Resource Persons/ Chief Guest	Outcome/ Benefit of the Programme
1	Two Day Training Program On Career Development Programme	108 Seminar Hall	Students of Department of ECE (S5 & S7)	<b><u>Resource Person:</u></b> Mr. ALEX MATHEW Regional Manager and Chief Trainer T-Horizon Kochi. MR.NITHEESH KURIAN IEDC Nodal Officer, RSET	<ul style="list-style-type: none"><li>• Students will be more aware of the different career opportunities in Electronics and Communication field.</li><li>• Students will acquire necessary confidence to present their knowledge in a better way.</li></ul>

Two days career development programme for the skill improvement of students was conducted by Department of Electronics & Communication Engineering, IES college of Engineering, in association with IETE. The session was conducted from 14/12/2021 to 15/12/2021

The resource person was Mr. Nitheesh Kurian, IEDC Nodal Officer, RSET. The Program was coordinated by Ms. Sindhu T.V (IETE Coordinator Assistant Professor, ECE Department, IESCE) and Ms. Bency Varghese A, (Department Placement coordinator, Assistant Professor, ECE Department, IESCE).

On the First day (14/12/2021), the program started with welcome address of Ms. Rachana M K, HOD In-Charge, ECE department followed by inaugural address by Principal Dr. Brilly S Sangeetha. Ms. Rasha Jalaludeen of S5 ECE introduced the resource person and handed over the session to him. The forenoon session highlighted the significance of Communication Skill. The session was really helpful for students to in improving their communication skills. The second session focused on group discussion. He made the session so interesting by giving different activities in between session.

On the second day (15/12/2021) the speaker was Alex Mathew Regional Manager, T-Horizon, Kochi. Ms. Rachana M K, HOD In-Charge, ECE department introduced the resource person and handed over the session to him. He started the forenoon session by explaining how to approach interviews. He delivered many tips for the same. The last session was 'how to build a carrier' in which he explained different opportunities in the field of electronics and communication field. He also explained the path - how to become a good entrepreneur along with examples. Last 15 minutes were allotted for queries from audience. Mr. Ajmal C R of S7 ECE expressed the feedback and Ms. Krishna P R of S7 ECE proposed the Vote of Thanks. Mr. Alex Mathew expressed his gratitude towards Management, Principal, faculties and all the participants for their endless support and cooperation which made the event a successful one. The participants expressed great appreciation and satisfaction about the event in the concluding session. The Feedback has been collected from all the participants .The entire session was effective and the students and staffs were technically elevated.

The details of the bill settlement are as follows:

Sl No.	Particulars	Total amount in Rupees
1	Payment for resource person	Rs. 13000.00
2	Refreshment	Rs. 4552.00
3	Total expense	Rs.17552.00
4	Amount collected from students	Rs.14000.00
5	Balance amount taken from IETE	Rs, 3552.00

SUBMITTED TO THE MANAGEMENT

**Through Principal**

**Sub: Request to conduct a Webinar "THE FIRST LEAP" through online mode.**

Respected Sir,

Department of Electronics and Communication Engineering plans to conduct a Webinar "THE FIRST LEAP" for students of various colleges on 2<sup>nd</sup> October 2021 at 10am through online mode. The webinar will help the students to improve their presentation skills. The details of the event and expenditure of the programme are attached. I kindly request your permission and cooperation for the same.

S/N	Event	Objective of the programme	Participants	Speakers/ Resource Persons/ Chief Guest	Budget	Outcome/ Benefit of the Program
1	Webinar "THE FIRST LEAP"	To improve the presentation skills of students.	Students of various colleges.	<u>Resource Person:</u> Mr. ALEX MATHEW Regional Manager and Chief Trainer T-Horizon Kochi.	1500	• Students will acquire necessary confidence to present their knowledge in a better way.

**EXPENDITURE:**

Sl. No.	Item	Amount
1	Remuneration	1500
<b>Total</b>		<b>1500</b>

The detailed report of the same will be submitted to management after the programme.

Approval for conducting the Webinar from Management is Rs. 1500/-

Thanking you,

Programme Co-ordinator

## Report on Webinar "THE FIRST LEAP"-Success in Learning

in association with IETE & IIC

### Event Details:

Event	Date & Time	Venue	Participants	Resource Person	Outcome/ Benefit of the Programme
Webinar "THE FIRST LEAP"- Success in Learning	02.10.2021 Saturday 10.00 AM	Online Platform ZOOM APP	Students of various colleges.	Mr. ALEX MATHEW Regional Manager and Chief Trainer T-Horizon Kochi.	Students will acquire necessary confidence to present their knowledge in a better way.

Webinar "The First Leap-Success in learning" organized by Department of ECE in association with IETE & IIC conducted as part of improving the presentation skills of students. The session was conducted through online Platform - ZOOM, on 2<sup>nd</sup> October 2021.

The resource person was Mr. ALEX MATHEW, Regional Manager and Chief Trainer, T-Horizon, Kochi. The Program was coordinated by Ms. Linu Babu P (A.P, Department of ECE, IESCE) & Ms. Bency Varghese A (A.P, Department of ECE, IESCE), with the support of HOD in charge Ms. Rachana M K and all faculties & students from ECE department.

The program started with welcome address of Ms. Rachana M K, (HOD in charge, ECE Department, IESCE). After the introduction, the resource person started the session on the topic "The First Leap-Success in learning".

Mr. Alex Mathew discussed about the impact of engineering sector in society during the current scenario. He motivated students by discussing the possibilities of engineering graduates in day to day life. He also advised the students to be more active and enthusiastic in improving their skillset. He discussed the importance of being professional in life and career and suggested ways to improve their presentation skills in university exams.

The session was interactive with full involvement of students. For the last 30 minutes an interactive session was arranged with the speaker to clear the doubts. The students actively participated and clarified their doubts about academics and career. The students expressed great appreciation and satisfaction about the event in the concluding session. Ms. Devika Narayanan, student of S4 ECE proposed the Vote of Thanks to Mr. Alex Mathew and expressed the gratitude towards The Management, The Principal, The

coordinators of this event, the faculties of IES college of Engineering and all the participants, for their endless support and co-operation to make this event a successful one. The online attendance and feedback form has been collected from all the participants. The entire session was effective and the students were motivated technically and professionally.

## INVITATION OF WEBINAR

Dears,

Warm Greetings !!!!!

IES COLLEGE OF ENGINEERING, CHITTILAPPILLY, THRISSUR,Kerala - 680551

We are happy to inform you that the Department of Electrical & Electronics Engineering is organizing a 1-Day Free Online Webinar on : **"A technical career awareness "**\*

On 21/12/2021 at 2pm – 4pm

\*The webinar will be beneficial for Research scholars/Faculty/Students\*

Webinar link : <http://meet.google.com/ixp-sqbd-pvr>

Coordinators:

Mr. John Chembukkavu , HoD and Assistant Professor/ Electrical and Electronics Engineering

Contact Number: 9447808065

Regards,

Department of Electrical & Electronics Engineering,

IES COLLEGE OF ENGINEERING, CHITTILAPPILLY, THRISSUR,Kerala – 680551

Speaker : AKHILESH KUMAR C  
Managing Director of MTTC International LLC & KAWMA LLP  
B Tech, MBA  
8 years of industrial work experience  
'A' Grade supervisor license holder

### FREE ENTRY FOR HIGHER SECONDARY STUDENTS

December 21st 2021 (Tuesday)  
2:00 pm - 4:00 pm

#### WEBINAR CONTENT

- . A GRADE AND B GRADE ELECTRICAL SUPERVISOR license training classes
- . Electrical QA/QC
- . ESD
- . MEP & software used in MEP (DIALUX, HAP, BETA, Mc-quay duct & pipe sizer, Revit MEP etc).
- . Revit MEP
- . Solar
- . Electrical vehicle charging station
- . HVAC
- . PLC
- . SCADA
- . AUTOMATION
- . BMS

### CERTIFICATE WILL BE PROVIDED

ENGINEERING

**DEPARTMENT OF MECHANICAL ENGINEERING**

Cordially invite you for the seminar on  
**“Advancement in mechatronics  
engineering”**

---

Date: 11/07/2021

Time: 9.30 am

Venue: EEE Seminar Hall

DEPARTMENT OF MECHANICAL ENGINEERING

**SEMINAR ON "ADVANCEMENT IN MECHATRONICS  
ENGINEERING"**

Venue: EEE Seminar Hall

Date: 11/07/2021

Time: 1.30 PM

**Programme Schedule**

Prayer

Welcome Speech

: Mr.Anil D. Coola

(AP/ME)

Presidential Address

: Dr.S Brilly Sangeetha

(Principal, IES College of  
Engineering)

Felicitation

:Mr.P P Sarvan

(HOD-ME, IESCE)

Key note Address

: Mr.Rinto K Anto

(AP/ME)

Vote of Thanks

: Students

National Anthem
